

NegAir 2000

Premium

Technical Details

Nominal airflow	2000 m ³ /hour
Main filter dimensions	380 x 380 x 292mm
Pre-filter dimensions	375 x 375 x 50mm
Machine width (W)	505mm
Machine height (H)	620mm
Machine length (L)	740mm
Body width (WH)	485mm
Body height (HW)	485mm
Spigot diameter (S)	300mm
Spigot length (SL)	76mm
Weight (no filters)	35kg
Weight (with filters)	50kg
Voltage	230v (110v)
Current	8A (16A)
Noise level (measured at a distance of 1m without ducting)	86 dBA
Body material	Grey and Black ABS
Manometer (0-1250pa)	✓
Hour counter	✓
Variable speed control	✓
Illuminated on/off switch	✓
Filter alarm	✓
Stackable	✓
Roving filter box	Optional
Double HEPA	Optional
